

# INVITATION FOR EXPRESSION OF INTEREST

Botswana Harvard Health Partnership (BHP) invites suitably qualified Strategy Experts to undertake a consultancy for a new institutional strategic plan and submit proposal for the assumed.

The BHP is a non-profit organization established in 1996 through a partnership agreement between the Government of Botswana represented by the Ministry of Health (MoH) and Harvard University (HU), represented by the Harvard T.H Chan School of Public Health (HSPH). The goals of the BHP are to the fight HIV/AIDS and other emerging public health challenges through innovative research, education, and capacity building that impacts policy and practice

## SCOPE

The overall objective of the consultancy is to develop a new five- year strategic framework for BHP that takes into account the current internal and external operating environment in order to enhance the effectiveness of BHP in undertaking its mandate as world renowned health research institute.
